## BOAting News

Dear member,

Below is a short update on activities that your Association has been engaged in over the past month.

***Firstly, many of you would have received your membership renewal in the last week or so. We hope that you'll take the opportunity to rejoin the BOA and allow us to continue looking after your interests on the water.***

This month, key amongst our activities was our attendance at the Sydney Harbour Regional Boating Advisory Group (RBAG). These groups have been set up by Roads & Maritime Services as a way of communicating regularly and directly with key stakeholders. There are RBAG groups for a number of areas around NSW – this meeting related to Sydney Harbour.

**Please let us know of issues you would like us to raise and/or look into on your behalf.**

**Vivid Sydney**, commences 26 May until 17 June 2017 (23 nights)

Exclusion zones will be in force, with some wharf closures on weekends
